

#SO THIS IS MS

October 5th | Toronto

PANELIST

Julie Brazeau

Julie, at 40 years old, is a remarkable woman who embodies resilience and determination. As a loving wife and mother of two boys, she has faced the challenges of Multiple Sclerosis (MS) head-on, refusing to let it cramp her vibrant style.

Julie's journey is an inspiring testament to the power of tenacity and positivity. In the face of adversity, she has become a beacon of hope for countless others battling MS. Her story is a reminder that life's obstacles can be overcome with the right attitude and support.

She has taken the digital world by storm as a TikTok sensation, with an impressive 40,000 followers and counting! Her engaging content not only entertains but also educates and raises awareness about MS, making her a vital advocate for the MS community.
